WHO CAN VOTE?

IN ORDER TO VOTE IN UTAH, YOU MUST BE:

• A citizen of the U.S. and lived in Utah for at least 30 days.
• At least 18-years-old on Election Day.
• Registered to vote in the state of Utah.

HOW DO I REGISTER?

THERE ARE THREE WAYS TO REGISTER TO VOTE

1. ONLINE AT VOTE.UTAH.GOV — you’ll need a driver license or state identification (ID) card to register.
2. BY MAIL — you can print a voter registration form online at vote.utah.gov or pick one up at the County Clerk’s Office or some other government office.
3. IN-PERSON — at the County Clerk’s Office, the Driver License Division, Vocational Rehabilitation, and various other state agencies.

THE REGISTRATION FORM WILL ASK YOU:

• Your name, birthday, address, and the county and state where you were born.
• Your driver license #, state ID #, or the last four digits of your social security number.
• If you would like to register under a political party: Democrat, Republican, Libertarian, etc.
• If you would like have your ballot sent to your home so you can vote by mail.
• To sign/date to attest you’re a qualified voter.

REGISTRATION DEADLINES

• ONLINE/IN-PERSON — seven days before an election.
• BY MAIL — thirty days before an election.

CASTING YOUR BALLOT

THERE ARE SEVERAL WAYS YOU CAN VOTE

• BY MAIL — Many Utah counties conduct voting by mail. A ballot is sent to your address where you can review it, mark your choice, and return it by mail or drop-off by the deadline.
• IN-PERSON — Some counties still have designated polling places. Even vote-by mail counties must provide at least one location with a voting machine to ensure that people who need it have an accessible way to vote privately and independently.
• ABSENTEE — Whether you vote by mail or at a polling place, you can always request that a ballot be mailed to an address you specify, allowing you to vote from wherever you are. This works great for people who have difficulty leaving home, people who are hospitalized, etc. Contact your County Clerk’s Office or visit vote.utah.gov to request an absentee ballot.

IN ORDER TO VOTE, YOU WILL NEED TO SHOW IDENTIFICATION

• If you live in a vote-by-mail county, you may provide a copy of your ID when you register to vote so you won’t have to include a copy when returning your ballot.
• If you are voting in-person, you can either show a valid 1) Utah driver license; 2) state ID card or U.S. branch, department, or agency ID; 3) Utah concealed carry permit; 4) U.S. passport; or 5) tribal ID card, with or without a photograph.
• If you don’t have any of these IDs, you can show two forms of ID from seventeen other options found at: https://vote.utah.gov/vote/menu/requirements.html.
