2020 LEGISLATIVE PREVIEW

BUDGET REQUESTS

The Disability Law Center is working to secure funding for these important items:

- **DSPD Limited Supports Waiver for 700 individuals (e.g. Family and/or Behavior Supports)**: $4,427,000
- **ICF/ID Quality Improvements**: $2,419,000
- **DSPD Community Based Employment**: $2,000,000

BILLS TO WATCH

- **Rep. Eliason's bills (H.B. 32 and H.B. 33)** will increase availability of inpatient beds as well as increase the number of receiving centers along the Wasatch Front and mobile crisis in rural areas of Utah.

- **The DLC is working with Eliason to ensure that the core supports that these individuals need are available to them even after the crisis has passed and they've returned home**.

- **Rep. Anderegg's bill (S.B. 38)** could positively impact affordable housing in Utah. The DLC encourages him to dedicate a significant share of the $35 million to deeply affordable (30% or less of Area Median Income), supportive, and physically accessible housing!

- **Rep. Anderegg's bill (S.B. 38)** could positively impact affordable housing in Utah. The DLC encourages him to dedicate a significant share of the $35 million to deeply affordable (30% or less of Area Median Income), supportive, and physically accessible housing!

- **There is likely to be proposed legislation that could make it more challenging for Utahns with disabilities to advocate for their rights**.
