HCBS Settings Rule Webinar

Watch a recording of the Disability Law Center’s (DLC) webinar regarding the HCBS Settings Rule. We have two years until the home and community-based service system has to be in compliance with the settings rule. This rule applies to everyone on waiver services and includes services provided through the Division of Services for People with Disabilities (DSPD). CMS will require services to be provided in a way that promotes choice and community integration for people with disabilities.
The Disability Law Center (DLC) is a private, non-profit organization, designated by the governor as Utah's Protection and Advocacy agency. The DLC believes in a society where abilities, rather than disabilities, are recognized; all people have an equal opportunity to participate; and where all people are treated with equity, dignity, and respect. We work toward our vision by enforcing and advancing the legal rights, choices, and opportunities of Utahns with disabilities. DLC services are available free of charge statewide, regardless of income, legal status, language, or place of residence.

If you have further questions, please contact us. Even though our focus is on cases that can help as many people as possible - because time and resources are limited - we at least offer information and/or referral options to everyone who contacts us. Materials are also available in alternative formats such as audio, large-print, Braille and Spanish. Call (800) 662-9080 or apply for help online, and our staff will contact you within 1-3 business days.
