

## **ADA Requirements: Service Animals**

The Department of Justice published revised final regulations implementing the Americans with Disabilities Act (ADA) for title II (State and local government services) and title III (public accommodations and commercial facilities) on September 15, 2010, in the Federal Register. These requirements, or rules, contain updated requirements, including the 2010 Standards for Accessible Design (2010 Standards).

The Disability Law Center (DLC) is a private, non-profit organization, designated by the governor as Utah's Protection and Advocacy agency. The DLC believes in a society where abilities, rather than disabilities, are recognized; all people have an equal opportunity to participate; and where all people are treated with equity, dignity, and respect. We work toward our vision by enforcing and advancing the legal rights, choices, and opportunities of Utahns with disabilities. DLC services are available free of charge statewide, regardless of income, legal status, language, or place of residence.

If you have further questions, please contact us. Even though our focus is on cases that can help as many people as possible - because time and resources are limited - we at least offer information and/or referral options to everyone who contacts us. Materials are also available in alternative formats such as audio, large-print, Braille and Spanish. Call [\(800\) 662-9080](tel:800.662.9080) or [apply for help online](https://disabilitylawcenter.org/?p=6541), and our staff will contact you within 1-3 business days.
