SLC Types of Tests (with result coding)

Row Labels	Count of Type of Test
E-mail	3
2 - No signs of disparate treatment/impact (No signs of disparate treatment/impact; compromised test (different leasing agents))	2
3 - Signs of disparate treatment/impact (Signs of disparate treatment/impact; compromised test (test not conclusive, but indicative of disparate treatment))	1
In-person	70
2 - No signs of disparate treatment/impact (No signs of disparate treatment/impact; compromised test (different leasing agents))	31
3 - Signs of disparate treatment/impact (Signs of disparate treatment/impact; compromised test (test not conclusive, but indicative of disparate treatment))	22
5 - Inconclusive (Received inconsistent information, invalid test, tester did not follow procedure, etc.)	7
6 - Other	1
7 - DnC: No signs of design and construction violations	1
8 - DnC: Signs of design and construction violations	8
Telephone	104
2 - No signs of disparate treatment/impact (No signs of disparate treatment/impact; compromised test (different leasing agents))	46
3 - Signs of disparate treatment/impact (Signs of disparate treatment/impact; compromised test (test not conclusive, but indicative of disparate treatment))	34
5 - Inconclusive (Received inconsistent information, invalid test, tester did not follow procedure, etc.)	17
6 - Other	7
